On behalf of the Volplane staff we would like to dedicate this yearbook to Mrs. Evelyn Weiss and Mr. Robert Schlemmer. We thank them for their support and devotion which helped make this book possible.

The name of this book is Volplane (Val ' plan'). Volplane means to sail, coast, or glide through the air – like an airplane or perhaps, a Falcon.

Soar with the Volplane one last time before we each fly our separate ways into the future. Glide, recollecting the memories of 1980. Fly, reminiscing about the year's laughter, tears, and accomplishments. Soar, taking with you the new ideas and aspirations Firestone instilled within us all.

Come! Follow the flight of the Falcon.

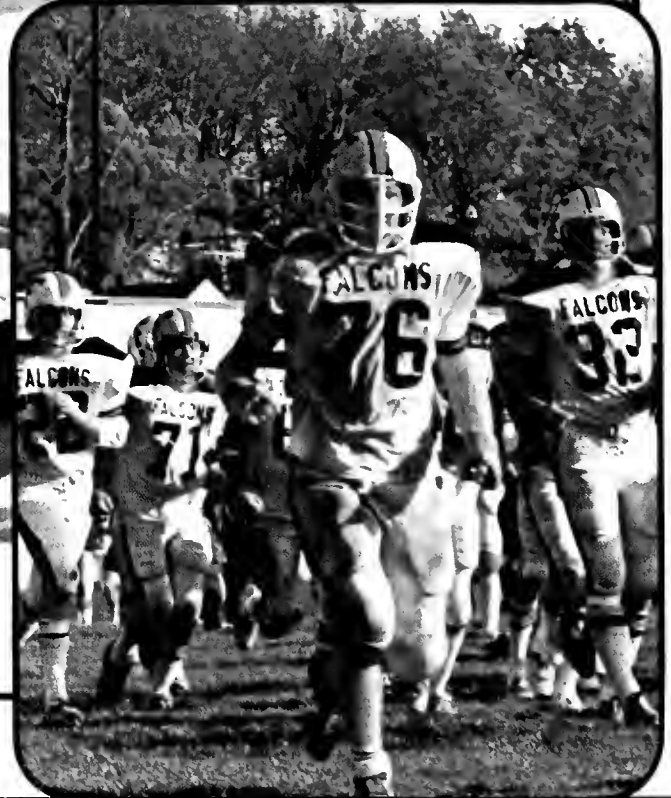

Feel free, sail on the wings of tomorrow.

Soar to new heights, expand ambitions.

The future is a time of leadership.

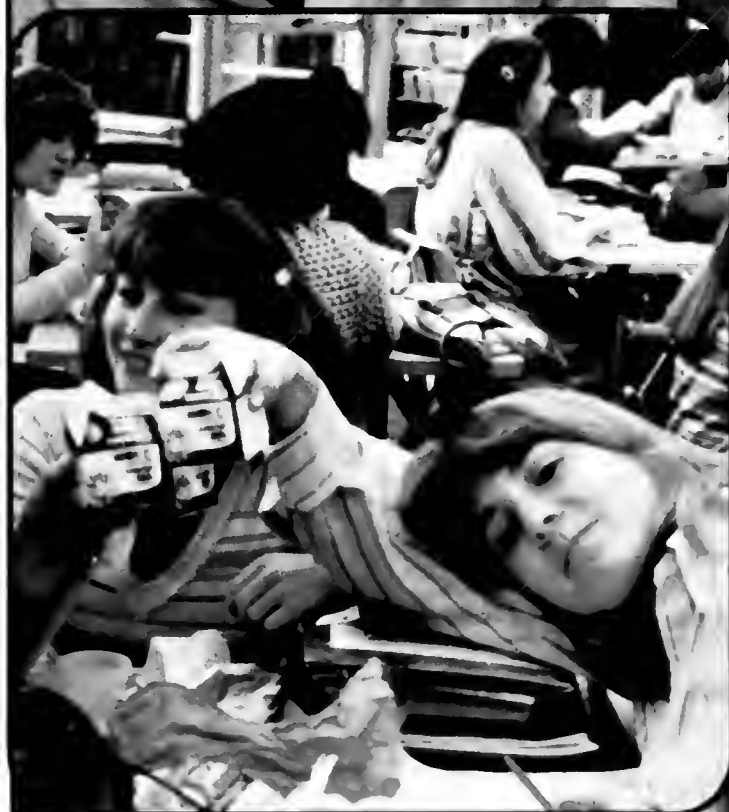

Like the mighty Falcon, who

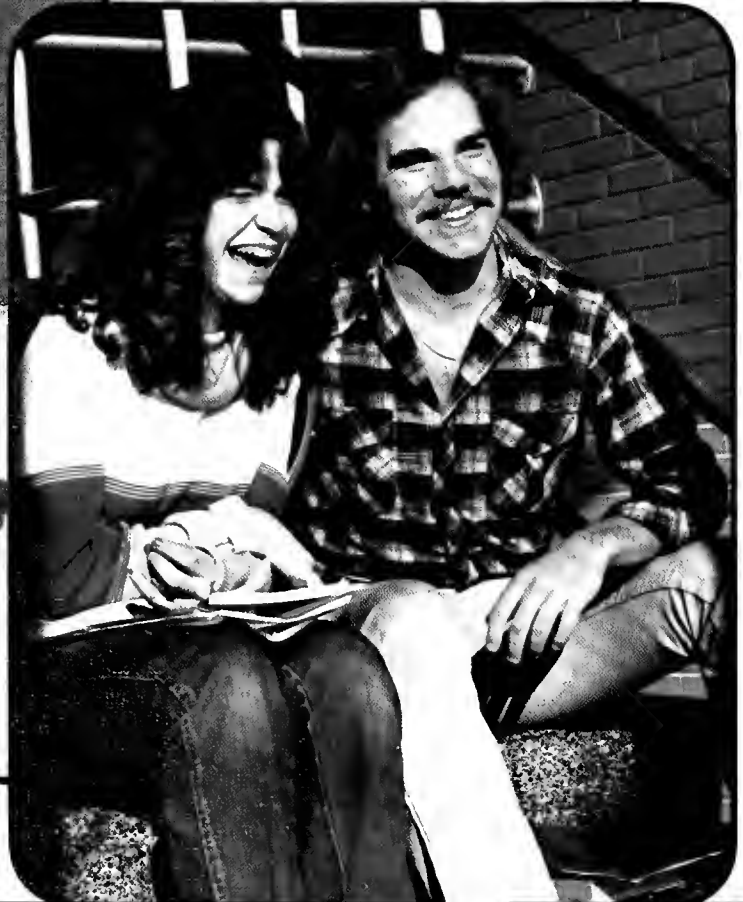

controls the boundless skies,

we are gliding on the wings of tomorrow

facing an era of limitless knowledge.

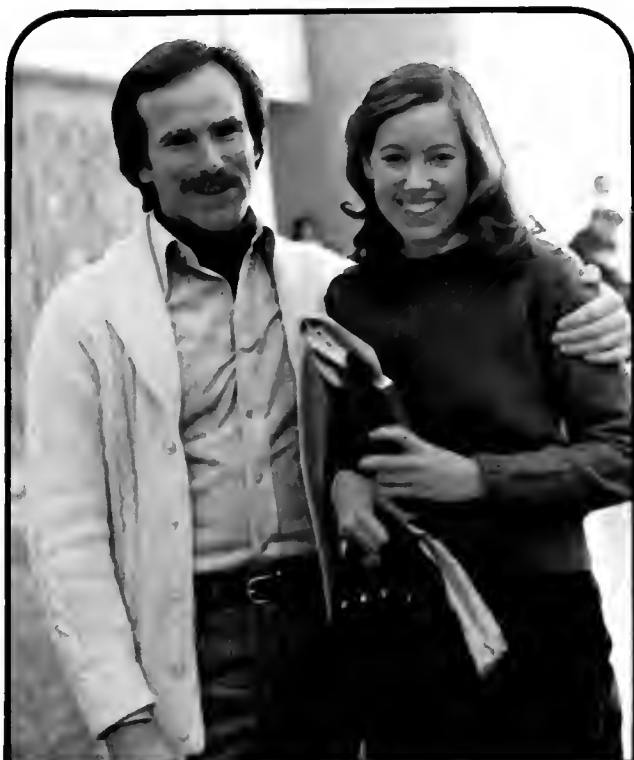

With determination and courage our hopes

take flight, our dreams become realities.

Like the majestic Falcon, a bold

spirit urges us to fly toward the horizon.

What's a bologna sandwich without the bologna? Have you ever seen an Oreo cookie without the filling? What would Firestone be like without a middle class? It is the Junior Class that acts as cement to bind the sophomores and seniors together. Second year high schoolers have a chance to really enjoy themselves. Junior year is the time when the student understands how the school operates and can take part in activities in a relaxed manner.

FACULTY

THE OFFICE

PRINCIPAL

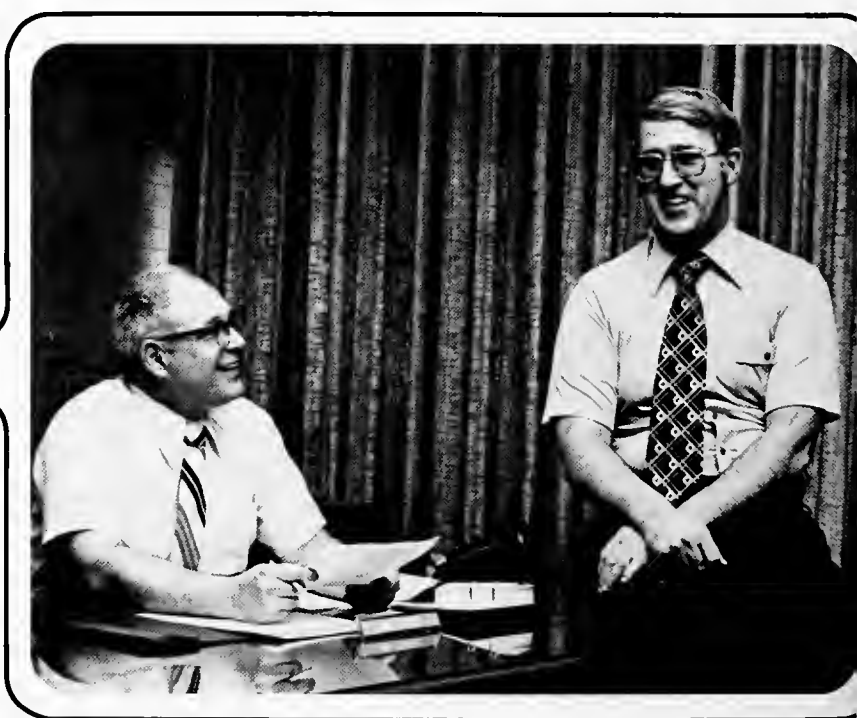

Mr. Joseph Friedman has been the principal at Firestone for nearly a decade. He has seen many changes in education and anticipates many more in the future. "I see a strong educational trend toward the basics." Mr. Friedman also sees the "possibility for a thirteen-year school program."

Mr. Friedman has been quite successful working among both the administration and the student body. Many feel this is due to his enthusiasm and eagerness to get involved with student activities. His genuine concern with the students and their development into "fine young people" is continually gratifying.

This year the students at F.H.S. were kept in line by our two Assistant Principals Mr. Tritt (L) and Mr. Hatherill (R). When asked to reflect on the past decade, Mr. Tritt remembers Firestone as a "success story." He brought to mind "the fascinating talents of the athletic and debate teams, the musical groups, and the individuals themselves." Mr. Tritt knows the future will continue to amaze him as the "success story" of Firestone continues.

Mr. Hatherill's first year at Firestone brought about many positive changes. The majority of the student body that came in contact with him realized his unique ability of combining authority and discipline with friendship.

ASSISTANT PRINCIPALS

COUNSELORS

Mr. Kay Fluke has spent almost the entire year helping the junior class plan schedules which will prepare them for college or careers. Soon he will be helping them adjust to the senior life at F.H.S.

This year has been very busy for Mrs. Louise Jacobs, advisor of the senior class. Mrs. Jacobs has been filling out countless college applications for the ambitious class of 1980. When things slow down, she will begin to prepare for the incoming sophomores.

As expected the beginning of the year was frantic for the sophomore counselor, Mrs. Sandra Adkins. Mrs. Adkins guided her sophomores through the trials and tribulations of the first year of high school.

The most important element of any office is the secretary. Firestone's secretarial staff, seated from left to right, is Mrs. Florence Haddad — attendance office, Mrs. Betty Lou King — treasurer, Mrs. Gen Woods — office secretary, Mrs. Jeanette Mirman — principal's secretary. The pleasantness and efficiency of these women have been the backbone of the Firestone office and have been appreciated by faculty, students, and administration.

MATHEMATICS

Top row: D. Nutter, W. Bender. Bottom row: M. Viland, B. Guy, G. Green.

Is it true that vertical angles are congruent? Is there really an A.S.S. postulate? These are some of the questions which become "Q.E.D." with the help of an ambitious mathematics department. While facing the various challenges mathematics presents at any level, the Firestone student acquires the knowledge to avoid all "man in the street errors."

BUSINESS

Left to right: C. Adamson, T. Maglione, M. Wilcox, G. Katz, S. Gertz

Just about everyone will agree that typing and notehand are two courses that all students can benefit from, even if they aren't planning on a future in the business world. But the business department at Firestone offers much more than these. Business math and accounting prepare college bound students for careers in business. For the more secretarial minded, there's the IOE program, and for those who decide to work while attending school, the OWE is perfect.

The Firestone business student definitely leaves school prepared to take on any account!

ENGLISH

Recently, Firestone was awarded the National Council of Teachers of English award for its outstanding English program. Firestone's English department offers a wide variety of courses for every type of student. American and World Literature courses give the students the opportunity of becoming familiar with great authors and poets. The Composition and English Usage courses are for the students returning to the basics. The Advanced Placement program attracts students who enjoy and excel in reading and writing. Wherever the student's interests may lie, there is sure to be a course staffed with the finest to accommodate him.

SOCIAL STUDIES

History at Firestone is not just a thing of the past. With a wide range of courses varying from philosophy to geography, sophomores and juniors taking World and American history have the opportunity to see history through the use of visual aids, as well as learning it from their text books. Advanced juniors also have the opportunity to take the recently added AP course.

Through certain special programs such as the Close-Up trip to Washington, which is directed by Mr. Marshall, our students can gain insight into the events occurring in the world today that will eventually become the history of the future.

Clockwise from left: V. Barbieri, R. Snyder, W. Watts, D. Marshall, T. Myers, W. Turanchik, M. Nebiker. Not pictured: R. Whitney.

FOREIGN LANGUAGES

This year Firestone has more international students than ever before. This makes us realize how fluency in more than one language is a necessity. Hence, the number of students participating in Firestone's language program is steadily on the increase.

Some classes, like Madame Pringle's French IV, are receiving more than a textbook education. To celebrate foreign language week the class is planning and preparing a typical French *dejeuner* to be eaten in school. This is just one example showing how students learn more than just another language. They also get a taste of another culture!

Top row: B. Blake, D. Hanlon. Bottom row: M. Pringle, M. Todorovic.

SCIENCE

Left to right: W. Hunt, G. Johnson, T. Sappenfield, G. Parker. Top: D. Hammet.

The science department is one of the most diversified departments at Firestone. There is a variety of courses for science or non-science majors. The F.H.S. student has his choice of more than seven courses ranging from Mr. Johnson's physics to Mr. Sappenfield's biologies and Mr. Hammet's astronomy. Firestone is the only high school for many miles to have its own planetarium. This unique structure, used by many other schools, has been a great addition to Firestone and its science department. The dedicated faculty and ambitious students "combine" to "yield" a successful "mixture."

H.P.E. and DRIVERS ED.

Left to right: M. Maletich, V. Bodnar, J. Allison, C. Marquess.

As for health, Mrs. Bodnar, Mrs. Allison and Mr. Maletich keep busy teaching juniors the "facts of life" while Mr. Marquess shows them how to become safe drivers. The sophomores get a daily workout in Phys. Ed. under the supervision of Mr. Maletich and Mrs. Allison, our Physical Ed. instructors. The importance of staying in shape has been emphasized more than ever recently, and we can only expect this to continue after seeing the results in our many shapely sophomores!

PRACTICAL ARTS

We're all aware of the wonderful aromas that penetrate the halls in between classes to remind us that Mrs. Depalo's Home Ec. class is busy at work. In the noisy wood shop Mr. Conley shows students safe methods of operating wood and metal working machinery.

The Practical Arts courses are designed to give students a chance to prepare themselves for an immediate career or to simply give them experience in the practicalities of life.

FINE ARTS

Left to right: J. Culver, D. Chasek, F. Nelson, W. Lynk.

The Fine Arts department at Firestone gives students the opportunity to express themselves creatively as well as provides a pleasant change of pace from the regular academic courses offered.

Looking ahead, Mr. Lynk and Mr. Nelson agree that the musical groups, both instrumental and vocal, will tend to become oriented around the smaller sections within the whole ensemble. The popularity of the studio courses is also improving as Mr. Chasek and Mr. Culver assist students in unveiling the bit of Van Gough that is hidden within each of them.

THE LIBRARY

Left to right: J. Babeaux, S. Kelly

Where can students go to get away from the social atmosphere of the student center and get some serious studying done? The library! Sister Babeaux and Mrs. Kelly have made the Firestone library more than just a place packed full of information and resources.

When asked what the future holds in store, Sister Babeaux described an enlarged library with more shelf space, the desperately needed extra room for group study, and a more modern audio-visual department.

KITCHEN STAFF

Left to right: D. Steele, E. Macner, R. Quillen, N. White, T. Givens (mgr.), M. Harpley, K. McCauley, P. Graves, E. Pribonic, E. Black

Mrs. Ruthrauff is considered by most to be a "legend in her own time." When Firestone students graduate, they not only remember their specialized teachers, they also remember that certain lady who specializes in everything. The absence of a teacher is no longer a tragedy at F.H.S.

CUSTODIANS

What would we do without the men and women who keep Firestone in top shape? Although they are somewhat out of the mainstream of school events, they are vital for keeping Firestone what it is, and are very much appreciated.

SPIRIT WEEK

B. Hamlin ponders mischievous acts on Lumberjack Day.

Spirit week took place the week of September 17 — September 21, leading up to the Homecoming game and dance. The events were Jersey Day, Lumberjack Day, Button Day, Twin Day, and Cowboy and Indian Day. With the cooperation of many students, the week was a success. The grand finale was started Friday at school with a pep assembly, followed by the game Friday night and the dance.

HOMECOMING

The exciting and memorable Homecoming and its activities were not affected by an unexpected loss. The dance culminated a spirit-filled week of fun. The music at the dance was provided by the band, Revelations. Linda Barnett was named Queen with Aretta Kanakaredes as Crowner. All in all, the week ended with a memorable occasion for many people.

CHEERLEADERS!

The year began with extra pizzaz. There was an addition to the traditional twelve cheerleaders! A green and gold falcon was flitting among the girls. With Pom-pom in hand, paper mache head resting on her shoulders, Linda Mushkat raised the enthusiasm to an all-time high. It was evident the addition of a mascot to F.H.S. was a success.

During the football season, both J.V. and Varsity squads cheered together, forming the football cheering squad. The girls directed original and traditional cheers through the heat of August, snow and pouring rain. All in all, the year was a memorable one. Members of the Junior Varsity squad were sophomores Monique Adair and Lisa Fender, juniors Missy Bowling, Kathy Daugherty, Andrea Igel and Lia Matzules. Varsity squad members include juniors Gina Parasson and Cate Stewart, seniors Linda Barnett, Chris Pence, Julia Rea, and Renee Wegner.

The Script FHS became a new tradition for the marching band during the 1979 football season. Starting from a block formation, the band weaved through intricate maneuvers reminiscent of the Ohio State Script Ohio. As the band played "Across the Field," "Rampart," and "Mighty Falcons," the crowd responded with a standing ovation.

BAND OFFICERS

From top: Sue Scarlett, Chris Showalter, Amy Florin, Sue Cook, Louise Allison, Dave Frank, Bret Ongemach, Laura Blumenfeld, Lisa Nygaard, Chris Schnee, Betsy Uy, Carol Scheffer, Laura Santilli, Alex Rinehart.

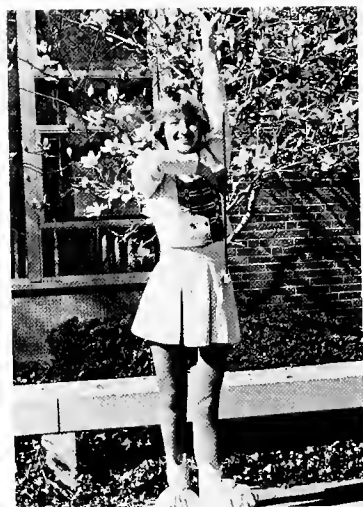

After washing cars and selling everything from cheese to poinsettias, the band finally made it to sunny (?) Florida. Although the weather was less than perfect, the band members and chaperones enjoyed four fun-filled days at Disneyworld and the beach. The highlight of the trip was the band's appearance in the Disney Electrical Parade on March 1.

Following District Contest, both the A Capella Choir and the Madrigals advanced to State Contest. Evaluations were based upon a number system: five being the lowest score, and one representing the highest. Emerging from District Contest with three superior ratings, the groups were entitled to perform at the state level. This is the highest opportunity for any vocal music organization. At State, the two groups performed in Class A, the most difficult level. Under the direction of William Lynk, the two outstanding groups received straight "ones". Talented students plus an excellent director equals the success equation of our vocal music department.

VALENTINE'S DANCE

D. Burdette and A. Jenkins discuss important plans before entering the dance.

J. Wolf really has eyes for his love.

Presenting - C. Hesse and R. Reaven.

R. Zetzer is "thumbs-up" about H. Leshman.

King of Hearts - B. Godard and A. Cowen.

For many girls, Saturday, February 9, will leave memories because it was the first time THEY spent a fortune on a date. This year's dance was a success with Brett Godard as king and Bill Babcox as crowner. With 1980 being an actual leap year, this dance was a true Sadie Hawkins dance.

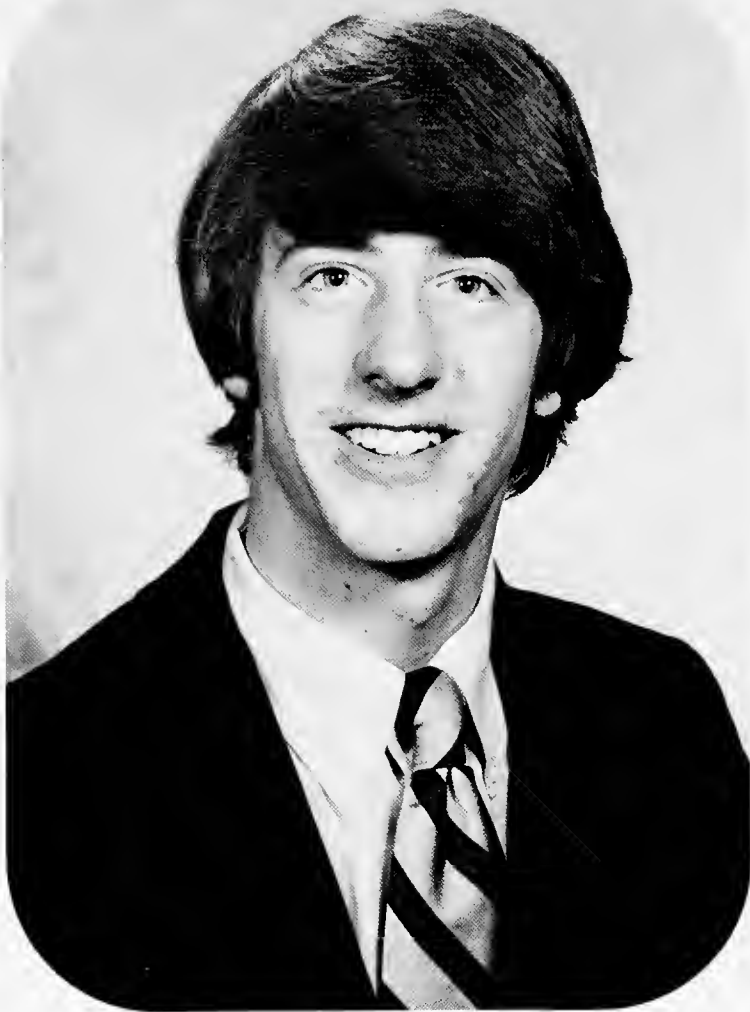

L. Plant may be concentrating on something besides dancing.

"Who's doubling with us?" asks L. Mullin.

H. Sarvis and T. McCormick have their hopes up as they enter the dance.

NHS Officers - Row 1: N. Ferguson (v. pres), L. Lange (sec'y), C. Davis (v. pres.), D. Webb (pres.), T. Nukes (treas.).

National Honor Society started its activities last summer with a picnic at Treaty Line Park. With only a small amount of dues the club managed to have many activities with a minimal cost. At the musical this year, NHS had its annual coat check for a fund raiser. Dennis Webb was this year's president with Carolyn Davis and Nancy Ferguson as vice-presidents. Leslie Lange was secretary, and Ted Nukes was treasurer. The tutoring program was a big success with all F.H.S. students receiving the tutors they needed. With the induction in May, the new members will surely carry on the traditions of NHS next year.

J. Chapman and N. Ferguson enjoy a toast to many more years as NHS members.

This year's May Dance became a Spring Dance, and everyone enjoyed it. With fairly nice weather, the couples could enjoy the budding flowers in the courtyard. This year's King and Queen were Mark Jenkins and Kathy Champlin with Mark Heuerman and Amy Dalton as the Crowners. The band was entertaining as was Jeff D'Amico. With this year's dance, April may become the annual time for a FHS dance.

During Mr. Parker's first year as coach, the soccer team had a great season, finishing only a half game out of first place in the city. Captains John Dagilis and Mark Jenkins helped make the season a winning one. A junior varsity team, begun this year, was undefeated and unscored upon. Jeff Wolf was awarded both Most Valuable Defensive Player and Most Improved Defensive Player. Other award winners were: Mark Jenkins, Most Dependable; Rick Schneiderman, Most Improved Offensive Player; and Bill Vasilatos, Most Valuable Offensive Player.

Firestone's Cross Country team won their third consecutive City Series championship under Coach Marshall. Tim Brennan, Pete Flohr, Sam Hudspath, and Harry Sarvis led this victory. The outstanding season was brought about through the hard work of the entire team who qualified for the sectional and district meets. The team then went on to qualify for the state meet where they finished a highly respectable thirteenth. Tim Brennan received All-Ohio honors with his eighth place individual finish, and in the Girls' State Invitational Final, sophomore Laurie Matchett finished fifteenth overall, fifth individually. Underclass lettermen were: juniors, Mitch Cohen, Co-capt. Doug Fear, Steve Kamenir, Bill Williams; sophomores, Jim Carpenter, Scott Harvey, Tom Kuehls, and Laurie Matchett.

NUTTER'S GOLFERS ARE UP TO PAR

CITY
CHAMPS

Following in the footsteps of previous Firestone golf teams, this year's team had a terrific season, capturing the city title for the third year in a row. This was Mr. Nutter's fifteenth year as golf coach. Keith Moore and Bob Vogel placed first in the City Best-Ball tournament and also won the Hal Naragon Invitational Best-Ball tournament. Captain Barry Nelson, the top golfer this year, and Chris Cook placed second in the city tournament. This year's golf team proved again that Firestone is the best.

GIRLS' TENNIS TEAM HAS A BALL

"This one's yours, Nancy."

The Falcon netters had another superb year with a record of 7-5. The highlights of the year were surprising victories over rivals Medina and the Elms. The team was led by Coach Bodnar and Captain Anne Linton. Seniors Jean Addison and Milissa Carter showed the experience and strength needed for a successful season. Sophomore Robin Freedman was voted Most Valuable Player on this year's squad. Best rookie was awarded to sophomore Lynn Kamenir.

FALCON FOOTBALL FLIES HIGH

Firestone forces Buchtel player to take a bath.

The Fighting Firestone Falcons had another terrific season, making it to the playoffs for the second consecutive year. Though the team lacked experience and size, they made up for it with determination and discipline, which paid off during the 34-7 upset victory over Kenmore. All-city honors went to Scott Peterson, First Team Running Back, and Dave Simonelli, Second Team Offensive Tackle. Honorable mention was awarded to Jeff Brett, Defensive End; Scott Burdette, Defensive Tackle; and Bob Alexander, Defensive Back.

The 1979-1980 F.H.S. Girls' Basketball team, coached by Vicky Bodnar and managed by Chris Lee, enjoyed a good season this year. They rounded out the season with a 6-13 record. They had a strong junior and senior line-up with Karen McCormick as captain. They survived early morning practices and proved their hard work and determination on the court. The Junior Varsity team had a good season and is a promising squad for next year.

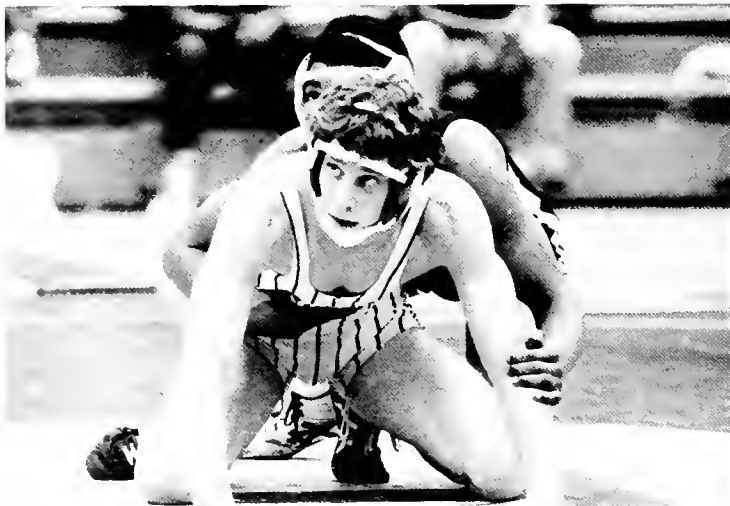

MATMEN AND LAUBAUGH

Led by Coach Laubaugh and Asst. Coach Conley, the Firestone Wrestling team finished the season fourth in the city with a respectable 4-3-1 record. Dave Simonelli, the sole district qualifier on the team, received the Best Season Record Award with an outstanding 21-7 record. Most Valuable Player Award went to junior John Ginley. CITY CHAMPS

Andrea Igel anticipates her next move.

The Girls' Gymnastics team, coached by Mrs. Depalo and Rhonda Gibbs, captured the City Series Championship title with their hard work and spirit. The enthusiastic captain, Denise Rammel, led the team to a victorious season. This year the girls created optional routines and learned many new tricks. Mike Lestingi donated many hours to help spot tumbling and work with the vaulting. In addition to the team's success there were many individual accomplishments which the Championship Meet demonstrated. Karen Jenkins, sophomore, finished 1st on Floor, Beam, and All-Around, 2nd on Vault, and 3rd on Bars. Laura Blumenfeld, junior, placed 2nd on Floor and All-Around, and 5th on Beam. Andrea Igel, junior, placed 2nd on Bars, 5th All-Around, and tied for 4th on Vault. Cate Stewart, also a junior, placed 5th on Floor. Paula Turgeon and Laura Blumenfeld advanced to district competition.

YOUNG TEAM HAS SUCCESSFUL SEASON

The 1979-1980 Firestone basketball team played their way to another successful season. The record was not a true indication of the team's play. With only one starter returning from last year's team, the squad lacked experience. This lack of experience, though, was made up by hard work and team spirit.

The team performed very respectfully in the city series. The Falcon cagers came within four points of destroying Central Hower's undefeated season.

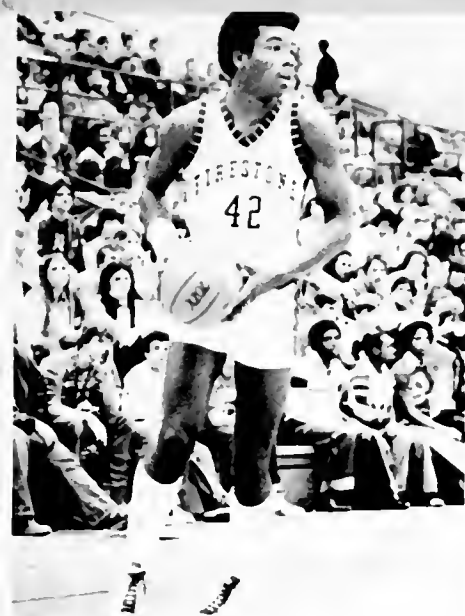

Individual team awards were given for outstanding efforts during the season. These awards, decided by the coaches, exemplify the individual efforts which were needed for team unity and success. Most Valuable was awarded to Steve McHenry and John Dagilis. Junior Dave Schooley received Best Rebounder while Steve McHenry was the recipient of the Most Improved award. Best Hustler was earned by senior John Dagilis.

Carrying on the tradition of Firestone swimming, the Girls' swim team splashed through a highly successful season. After swimming against tough teams throughout the district, they brought home a nearly undefeated dual meet record. Their hard work and determination paid off, at districts where they placed fifth and qualified for state. The individual medley relay team of H. Fouts, J. Addison, M. Graves, and J. Bernath placed thirteenth in state. K. Champlin placed eighteenth in diving and H. Fouts placed twenty-first in the 100 yard backstroke. At the close of the meet, the Falcon swimmers had placed thirteenth in the state. It was a super way to end the season. The most valuable swimmers were H. Fouts and K. Champlin.

This year's track team, coached by Mr. Hammet and Mr. Maletich, definitely has been a hard working one. The mile relay team, consisting of Dennis Webb, Marc Fletcher, Alex Dickos and Bill Vasilatos, qualified for districts and ran Firestone's third fastest time in seventeen years. Dave Schooley qualified for districts on the hurdles and Tim Brennan won the city two-mile run.

There were four team awards given this year. Outstanding Sophomore was Scott Harvey, Most Improved was Dennis Webb; Most Valuable was Bill Vasilatos; and High Point Awards were given to Alex Dickos and Dave Schooley. The team has worked very hard this year. Keep up the good work and good luck next year!

CITY
CHAMPS

T. Littman strives to reach new heights.

This year's tennis team had another excellent season with a 14-9 record. They extended their record to 88 consecutive City Series wins, not having lost since 1969. Although the team did not make it to state competition, due to a controversial district quarterfinal loss to Lakewood St. Edward, they still remained a powerhouse team in the state.

The highlights of the season were Jon Trembl's defeating Peter Kolaric, ranked 28th in the nation and Paul Schneir's upset victory in three sets which gave the Falcons the win against strong Toledo Ottawa Hills.

Junior Jon Trembl was awarded Most Valuable Player for his superior efforts in individual competition. Jon won sectionals, losing only one game in six matches. In districts, Jon had close to equal success, winning the tournament easily. Jon played excellent in state tournament as he advanced quickly to the semi-finals. There he lost 6-4, 7-6 to Eric Haigh of Toledo St. John. Jon won his consolation match, giving him the ranking of third in the state, and was the first player in Firestone history to attain this rank.

GIRLS' TRACK TEAM CLINCHES ALL-SPORTS TROPHY

With their combined efforts of hard work, determination, and dedication, the 1980 Girls' Track Team clinched the Girls' All-Sports trophy, and brought home an unprecedented honor to FHS. Never before has a City Series team won both the boys' and girls' All-Sports' trophies. The 2-mile relay team of A. Linton, M. Bowling, A. Dalton, and L. Matchett set a city series record of 9:59 and placed 9th as district finalists. MVP was awarded to L. Matchett, C. Young was given the Best Field award, Bev Gingras won the Best Rookie award, and Linda Schooley was awarded Most Improved. The Girls' Track Team proved once again that Firestone dominates!

Although strike threats have plagued the major leagues this year, Firestone's baseball team never experienced this type of problem. Led by seniors John Dagilis, Chris Cunningham, Steve McHenry and Bobby Oestreicher, the Falcons clawed their way to a winning 10-9 season and a second-seed City Series berth. Firestone reached the play-offs for the second year in a row and advanced to the championship game after a 7-6 victory over East, but finally faltered with a 7-0 loss to Ellet. Coach Dave Marshall surprised everyone by honoring the entire team with the MVP award in appreciation of their hard work and terrific teamwork.

The guard officers worked hard to keep the meets running smoothly.

After being ranked third in the nation by the national sports magazine "Swimming World", the 1979-1980 Firestone swim team, with Mike Wilcox as coach, had no problem keeping up its reputation. Lifting weights and then swimming twice a day, before and after school, the team had their work cut out for them. They swam top-ranked teams in the nation and also managed to capture the Greater Akron Swim League Trophy. Chris Deveny, Dave Kimberly, Larry Leff, and Bill Kelleher did exceptionally well in the city championships, as did the rest of the team. The senior captains were Toby Alkire and Don Wagner. The junior captains were Mike Alkire and Dave Frease. The sophomore captains were Dave Pershing and Scott Stutler.

City Series Championships — First Place
 District Championships — First Place
 State Championships — Second Place

Our swimming Falcons did it again! They won districts, accumulating 331 points, more than tripling the second place team. Then they moved on to the state championship and finished second, just two team points over arch rival Upper Arlington. John Smith emerged three times as champion in the 200 and 500-yard freestyle and the 400-yard freestyle relay with a record opening leg. Dave Frease swam in the 100 and 200-yard freestyle and was a member of the 400-yard freestyle relay. Celso Ogata clinched the team's second place, with his first in the consolation breaststroke final. Receiving All-American honors were John Smith, Dave Frease, the 200 yard individual medley relay with Mike Alkire, Celso Ogata, Gary Margolis, and Scott Stutler, and the 400-yard freestyle relay with John Smith, Tuck Kelleher, Hugh Walter, and Dave Frease. The team awards were: Hardest Workers — sophomore Dave Pershing, juniors Mike Alkire, John Harwick, and Tuck Kelleher, seniors John Smith and Don Wagner, the Most Valuable — sophomore Scott Stutler, junior Dave Frease, and senior John Smith. John is a three year All-American and was awarded the Jack Taylor Award from the Touchdown Club.

Hesitating Over High Rates?

Don't Let it Get Out of Reach!

Sure, interest rates are high—at least compared to yesterday's rates. Many people have put off their decision to buy a home until later, hoping rates will come down.

Most experts agree that rates will come down 'sometime', but expect at most a 1% reduction. In the meantime, home prices will continue to go up. High interest rates simply reflect inflation in our economy, and over the years real estate has been the only reliable hedge against

inflation. The savings you may expect from a lower rate in the future will be easily offset by the higher price you will pay—particularly as today's hesitant buyers flood the marketplace and drive prices up.

Consider that your interest payment is tax deductible. The real interest today for an average buyer is only about 8½%—far less than today's inflation. And with inflation, your down payment invested in a home will far exceed the return of

other investments.

Hesitant buyers have, at least temporarily, shifted supply and demand in your favor. Today's buyer has a wide selection of homes, and the opportunity to purchase one at a reasonable price. And our creative financing ideas can help minimize your expense.

IF YOU LOVE YOUR CAR ENOUGH TO BRING IT IN... WE'LL DO THE REST

Bring us your tired, your overworked car. We can't do the body work it might need, but we can do almost everything else. We can re-align it, re-brake it, re-muffler it, re-tune it, re-lube and oil it, re-charge it...and re-tire it, of course, with the finest tires you can buy anywhere. On top of all that, we promise we'll do professional work on your car, we'll do only the work **you** authorize, and we'll return worn parts. Give us a call. We'd like to get acquainted with you and your car.

It's time you gave us a talking-to.

Congratulations to the graduates. And now we think it's time to sit down for a chat...with you doing the talking.

At The Firestone Bank, we'd like to know about your plans for the future...college or a job. In either case, we can advise you on how to make the coming years more pleasant by starting a banking program designed just for you.

You're invited to stop in at any of our convenient banking centers and talk with one of our people. You see, we understand young people's needs...because we listen...and we listen hard.

The good listeners.

Akron based Jeter Systems Corporation is a nationally recognized leader in the design, marketing of time-saving color coded filing systems. Jeter Filing Systems use colors to eliminate common filing mistakes in both alphabetic and numeric filing systems. With Jeter color coded systems, filing becomes a more simple matching of colors.

Our filing equipment is designed to use office floor space efficiently. Jeter Systems normally occupy 1/2 of the space required for normal drawer style file cabinets.

Jeter Systems are in use in offices throughout the United States. Our clients include the Federal Government, State Governments, large and small companies, hospitals, clinics, labor unions, utilities, large oil companies, rubber companies, and banks. Hundreds of Akron and Cleveland companies look to us to solve their filing problems.

Consultations available without obligation. Call or stop at our offices in the valley.

IT'S ALL HERE FOR YOU

It is the hub, the center for a vast variety of exciting events. The crowds that pour in for our record breaking events come from all over Ohio, Pennsylvania and Michigan. Up to 20,000 fans per concert, because there's no other place in the 5-million population area that can accommodate the audiences The Coliseum in Richfield can.

We've been host to an entire spectrum of exciting events . . . The Ringling Bros. and Barnum & Bailey Circus . . . Soccer to the Ice Capades . . .

Cavaliers to the Harlem Globetrotters . . . Olga Korbut to the Scots Guards . . . Boxing to Motorcycle Races . . . from Frank Sinatra to Bruce Springsteen.

The Coliseum in Richfield has helped make this area the "Rock Capital of The World" and the standard by which great indoor shows are judged.

You too, can become a part of this great "Commitment to Excellence." Visit The Coliseum in Richfield soon and often.

Tickets for all Coliseum events are available at the Coliseum Box Office and all Ticketron outlets . . . or Call The Coliseum Marketing Dept. for fast convenient service on Credit Card orders for most events. Call Akron 867-8910, Cleveland 659-9100 . . . 10 A.M. to 9 P.M. 7 days a week.

The Class of 1980

In the beginning there was chaos: finding Lerch's corner, learning the Alma Mater, fearing failure, and hoping for acceptance by the upperclassmen. As the year passed, we were able to overcome many of these new obstacles; however, we still managed to live up to our worthy title — sophomore, "the wise fool."

Then God created juniors, the dreaded, apathetic, in-between year when we were faced with looking for a date for the dance, tolerating sex education for the third time, striving for recognition, and anticipating our "big" senior year. As we matured with experience, we succeeded in making our junior year one of innumerable good times.

Alas, we became the respected and admired seniors. We started receiving all the privileges we had so long awaited, searching for that one special college, dealing with the ever-present senioritis, and enjoying our last days of high school.

As we take flight from Firestone, we recognize that the future contains more fear, striving, and searching. Best of all, the future also allows for remembering . . . remembering our years at Firestone.

The Class Officers 1980

Kathleen Kelley, Secretary

Barry Nelson, Treasurer

We have been blessed with family, administration, and faculty, who through wisdom, concern, and guidance, have provided us with a strong foundation upon which we can build future successes. It was my honor and pleasure to serve as president, and I hope that for all seniors this was a memorable and enjoyable year.

James Casey, President

As we stand on the threshold of adulthood, about to meet the world, we are armed with a fine education, high ideals, and realistic goals nurtured by those who care. With hope and enthusiasm, we venture forth to seek our place in the world.

Vice-President

Diary

August 25, 1979

Dear Diary, We did it! We beat last years senior car wash total of \$308 with a final amount of \$328. We worked and played at two locations, the Hi-Val on Market and the Exxon station in the valley. Class president Jim Carey drove back and forth between locations making sure that all was running smoothly.

It was a super day, warm and sunny and everyone went home with sunburns, not to mention tired bodies. It was a definite group effort.

Greg Clough found his niche very quickly, ripping off his shirt and calmly flexing his rippling muscles on Market Street. Soon after, we found all our customers to be female. There were many exuberant seniors who exercised their vocal chords in the pursuit of prey including a group of loudmouthed girls, whose names I won't divulge.

The stream of cars throughout the day was steady, and all in all the day turned out to be very profitable. We're all looking forward to our next fundraiser... PIZZA SALES!

Dear Diary,
The Senior picnic today at Munroe Falls Park certainly brought our class together. There couldn't have been a better way to start out the school year. Things got rolling with a little football. The boys played a rough grueling game among themselves, while the girls tried their best to organize strategic plays. Although there were no serious injuries, everyone received their share of bumps and bruises. The teachers got in on the fun by playing volleyball with some of the girls--Mr. Twardchik impressing us all with his devastating serves while soccer skills were a part of Mr. Bender's game plan. All of this activity really made us work up an appetite and we were treated to delicious fried chicken, homemade salads and various tempting desserts, courtesy of our fellow seniors. It was a great time--a super fun-filled day.

Dear Darcy,

The inseparable celebration of ghosts, pumpkins and goblins arrived a bit early this year at F.H.S. as the Saturday evening before All Hallows' Eve seniors, dressed up as wildly as their imaginations permitted, descended upon the unknowing school.

The costumes reflected the lighter side of students' personalities. In addition to the usual array of witches, clowns and draculas, there were a number of more unusual attires, such as Tracy Weiner's cavewoman, straight out of the Stone Age, and Eve Beltrance's baby soft Q-Tip.

Although most guests were oblivious of this, the party was, in actuality a wedding reception for Susan Davis and Paul Schneider, who arrived in dashing marital finery.

Tom Merrill, who portrayed himself as Death, won the scariest costume. Other winners were: the best group was the colorful crayons followed by the provocative Playboy bunnies (Were they really the boys swim team?!). The Fruit of the Loom gang won the most creative costume award and Laura O'Neill's Jack-O'-Lantern captured the coveted prize.

Festivities commenced with the apple pass and soon everyone was caught up in the fun. Of course no party is complete without food--and there was plenty of it! The donuts and cider were quickly gobbled up and all too soon it was time to depart. For some, the evening was over, but for others, like Dracula, it was just beginning...

Dear Diary,
Our first senior service activity, a caroling party at Valley View Nursing Home, was held in December. After gathering in the school parking lot for a brief practice, we caravanned to the nursing home, laden with good cheer, baskets of fruit & homemade cookies for the residents. Although our singing might not have been perfectly pitched, we sure enjoyed giving of ourselves to brighten the holiday season for the older folks!

Today's activity was of a different nature as it held an added thrill of danger. Sixty-eight seniors and seven faculty members braved needles at Hitchfield to donate blood to the Red Cross. In the contest staged between the girls and the boys, the fairer sex emerged more courageous, and graciously accepted the coveted prize: a free pizza lunch. Even though no prize was unveiled, Jean Addison won the "Person Who Ate The Most Cookies" award, with Jim Casey finishing close second. Donating blood is a very worthwhile activity and it certainly made us feel good on the inside—even if we were a little pale on the outside!

Dear Diary,

I guess it's all history now. All those days of rehearsal flew by and now it's over. I must admit it was a wild play. Aretta K. was hysterical as a flighty mother and Missy P. was extremely convincing as a ballerina whose specialty was baking "love dreams." The whole cast of You Can't Take It With You was responsible for the show's success. Jim was the ultimate in sedate grandfathers and Lisa P. and Todd S. had an interesting time with the kissing scene.

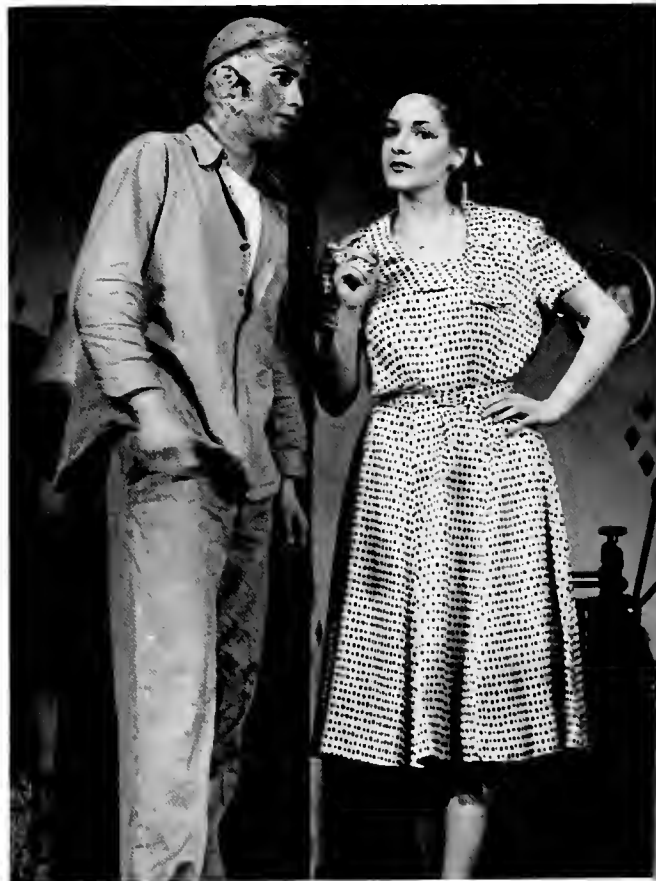

Being a part of the play was very beneficial for some of us. Jeff P. quickly learned to repair xylophones and both Jeff W. and Phil H. became familiar with fireworks. It was really added to on the first night when the fireworks refused to start...and then refused to stop!

Brett G. and Chris P. made Swedish accents the "in-thing" while Flynn M. shocked everyone with his hidden talents. Mona J. was an archetype drunk and Mary T. and Marc M. were incredibly convincing as rich snobs, but we all understand that no type casting was involved.

Joni J. and Craig M. lit the fuse of the craziest scene of all as they barged in and set everyone haywire. There's another person who had a great deal to do with all of this and that, of course, is Mr. Lynk. The fun we shared brought us all closer together and we'll always remember them as a wonderful part of our high school experience.

Dear Diary,

This week was the famed Senior Week and while it was full of fun and craziness, it also made us realize that our high school days were quickly coming to a close.

It started at 7:15 AM Tuesday with the Senior Breakfast. Haunting our college T-shirts, we generously helped ourselves to donuts and orange juice. Terese Wasniak and her group announced the results of the baby picture voting-- Cindy McPherson was awarded Baby Queen and Nick Thomas was crowned Baby King.

Wednesday was HATS & SUNGLASSES DAY. All the Seniors dug up the wildest get-ups they could find and everyone had to agree that Jenny Peterson masqueraded quite well as a chic Amb. Thursday the Seniors spilled up and headed down to the Banquet at Akron U's Killtop Room. It was a well-attended event... I'll write more about it later.

Friday was Senior Dress-Up Day. We came to school in our fanciest duds to attend the Honors Assembly, where our friends and classmates received awards for their outstanding achievements in athletics, academics and service.

Senior Week was a Success!!

Dear Diary-

Hats off to Mrs. DePallo and the banquet committee who made this evening's Senior Banquet a huge success! We all arrived at the Hilltop Room clad in our Sunday best, prepared to feast like kings--and that we did; the food was delicious, the atmosphere quite elegant and the company superb. Before the program started, we all enjoyed a quick chit-chat with our buddies. The program began when Jim introduced Reverend Gabe Campbell, our speaker for the evening. His inside scoop on the "Lockerroom Liar's Club" and the "After-date Exaggerating Society" proved very interesting to the naive females of our class. We all enjoyed Rev. Campbell's talk and will hopefully put his good advice to use in the future.

Next came the event we had all been waiting for- the Superlatives. Chris Pence and Jim Casey worked side-by-side in the roles of Master and Mistress of ceremonies. Everyone was pleased with the outcome of the voting, and the winners were thrilled with Chris's wacky awards.

Mr. Blake and our own class president Jim Casey were next on the agenda as they each expressed the appreciation and enjoyment they have received from working with the Class of 1980.

Dear Diary,

Today was our Senior Baccalaureate. The service was held in the Auditorium from three to four o'clock. It was very meaningful that there was something for all present. Four guest ministers participated in our Baccalaureate, and their presence was extra special because each had a family member in our graduating class. Reverend Andrew Lim began the program with the invocation.

Reverend Max Schultz, Reverend David Plant and Reverend Rex Humbarb presented their views on the 1960's - "The Birth Decade", the 1970's - "The School Years", and the 1980's - "To be Continued" respectively. Each one, in the course of his talk, shared his optimism and insights on life during these time periods. One of the major messages stressed by all was the need for mankind to co-exist peacefully. Reverend Plant made us aware of how we have allowed "put-down humor" to form a barrier in our relationships.

Between speeches, selections were performed by various members of the class. Nancy Ferguson, Bruce Chen and Sandy Hebermehl played Violin Concerto in D. Minor, while Tom Terilli and Jim Newledge combined voice and guitar in a rendition of Turn, Turn. The Madrigals also performed Tubilate Deo & The Lord Bless & Keep You.

Promptly at 4:00, Reverend Lim delivered the benediction and the program ended. Certainly credit should be given to Baccalaureate committee chairman Leslie Lange and the faculty advisors.

Dear Diary,

Yesterday was Prom. I'm writing a day late because I only got two hours of sleep last night, and boy, am I bushed.

The Prom was fabulous. Everyone looked so gorgeous in their long dresses & tuxes trimmed with corsages and boutonnières. The dancing was from 9pm until midnight at the University Club. The band was great--they had everyone dancing, even polka-ing!

After Prom plans were plentiful. Many couples went party-hopping while others went out to dinner. Breakfast at dawn were in abundance... Scrambled eggs, O.J., toasted bagels and donuts flourished. After these, we all went home to catch as much sleep as possible (which wasn't much).

The next morning we rose early and headed up to Cedar Point. We were lucky to have beautiful sunny weather and extremely short lines for the rides. We couldn't have asked for a better day. When we returned home, we were sufficiently exhausted and glad to hit the sack.

Dear Diary,

I just can't believe it's all over--and I say that with as much joy as I do sorrow. Commencement was everything a commencement should have been: leaps threatening to tumble, screaming for bobby pins, a sudden forgetfulness of alphabetical order ("who do I stand next to?") and a long last glance at classmates as strains of POMP AND CIRCUMSTANCE cued us for a final promenade through the halls of FHS.

Sitting in the gym, the air tense, finding my family proved quite a challenge, especially when trying to avoid the whiplash from my tassel when I turned my head!! Paul Peerman, editor-in-chief of the Akron Beacon Journal, was the speaker, offering us anecdotes and advice. In keeping with tradition the Madrigals sang SOFTLY AS I LEAVE YOU, some fighting tears and others succumbing to them. The distribution of diplomas, however, took us away from nostalgia and reminiscing and into our futures; holding our keys to success (and our final grades!!) we proudly shook the hands of Mrs. Dalton and Mr. Friedman and returned to our seats, prepared to transfer our tassels when Jim gave us the go-ahead. At last, as graduates of the Class of 1980, we applauded our class president, our class advisor and our class itself, sang the Alma Mater (thanks Commencement Committee for the words printed on the back cover of the program) and sent our caps flying.

ALL HAIL TO THE GREEN AND GOLD!!

Editors' Note:

We would like to extend a personal thanks to our advisors, Mr. Robert Schlemmer and Mrs. Evelyn Weiss, for another year for their time and help.

A special thanks to Diane Butz and Carmen Studios; The Children's Zoo; photographers Tim Warsinskey, Marta Stein, and Malcolm Levin; and typists Rhea Williams and Shelley Johns.

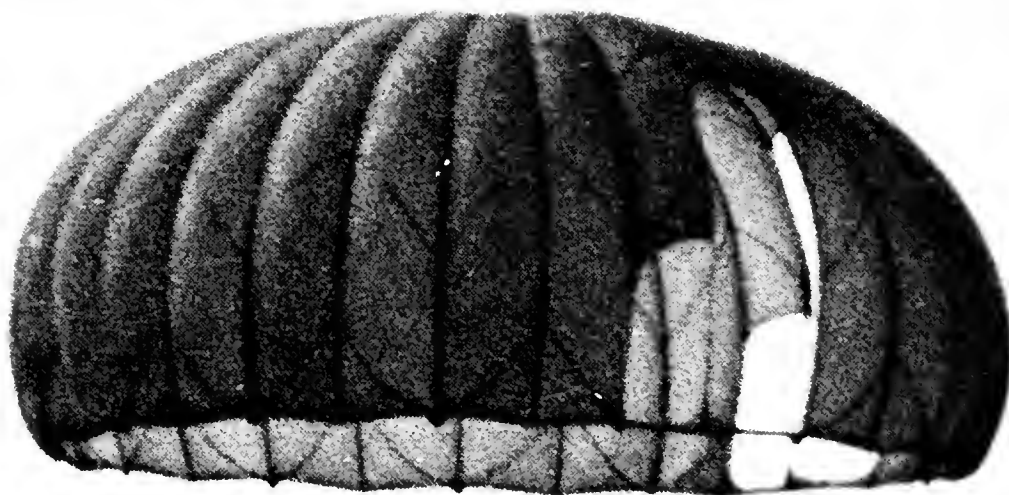

Also special thanks for the contributions of Mrs. Tracie James, Mr. and Mrs. Jack Haller, and Dr. Richard Rea.

And to Mr. Ward, our Hunter Publishing representative, thank you for your time and advice.

Mark Jenkins and Julia Rea,
Editors-in-Chief
